A Call to Learn and Prepare
Region 51 Emergency Management is calling for citizens of Lincoln County to attend the **Community Emergency Response Team** training class. The CERT Program educates people about disaster preparedness and trains them in basic disaster response skills, such as fire safety, light search and rescue, and disaster medical operations. Using this training, citizens will learn how to prepare for disasters ahead of time, and what to do if there is an incident.

Get Involved
While it is not required, all citizens taking this training will have the opportunity to join the Lincoln County CERT Team. CERT volunteers will have opportunities to participate in disaster exercises, promote emergency preparedness at community events, and respond to disasters in coordination with emergency responders in our area, helping their neighborhood or workplace.

The next CERT Basic course is scheduled for Tuesday evenings: January 17th, 24th, & 31st February 7th, 21st, 28th

6:30 PM until 9:30/9:45 PM
