Please call the Village Office
@ 584-3316 to be put on the list

Brady Residents:

Dawson PPD is doing two projects in the Village.

Pole testing starts Monday, February 27, 2023

A pole testing crew will be visiting each pole in town. They will attach a machine to each pole, take a reading, and move to the next pole. Pole testing helps Dawson PPD identify poles that may be deteriorating so we can replace them. The process will take a few days. Dawson PPD budgets to have poles tested every 10 years.

Power grid upgrade starts Monday, March 6, 2023

Dawson PPD is upgrading the line that serves Brady, which will improve reliability.

As part of the work, a crew will be working near the substation. The town will be powered by a generator for a few days. We will use automated phone calls to notify customers about planned outages. Any scheduled outage will be planned for the end of the workday or during the overnight hours to reduce the inconvenience.

Dawson Public Power District
308-324-2386 or 800-752-8305
