## THANK YOU, SHAWN!

After almost 9 years as our Village Utility Superintendent, Shawn has decided riding motorcycles and watching old westerns sounds more fun than working full time! He will still be around to help out part time. Shawn would like to thank everyone for the support over the years and said he has enjoyed his time here. The Village Board would like to thank him for his many years of service and all the knowledge he's brought to Brady! If you see Shawn around, make sure to thank him! We appreciate everything you have done for our community!

Brady Days 2023 was "Flamazing"!  
Thank you again to all our  
sponsors and volunteers!
