What exactly is 988?

988 is the new number for the Suicide & Crisis Lifeline, a network of more than 200 local crisis centers across the country dedicated to providing over-the-phone support (either by call or by text) for people who are in suicidal crisis or emotional distress. The service is free, confidential, and available 24 hours a day, seven days a week for Americans. It is operated by the U.S. Substance Abuse and Mental Health Services Administration (SAMHSA).

A Message from the Brady Food Pantry

The holidays are soon approaching. Please consider donating to the Brady Food Pantry this season. So far in 2022, the food pantry has received \$3,456.08 in grants, club and personal donations. We've spent \$4,093.87 to date. We've only had to dip into our account for \$637.79 so far this year. That is pretty darn good as the number of individuals and families we support has tripled. We will be offering a Thanksgiving food basket and a Christmas food basket these last two months. We would appreciate food donations that align with a traditional holiday meal and/or a financial donation. Also always needed is paper goods for these occasions. **THANK YOU BRADY** for being so amazing and supporting your fellow Brady friends during the holidays and throughout the year.
