*Brady Public Schools will not be hosting the Senior Citizen's Dinner this year. We look forward to the event and plan on resuming it next year.*

#### Brady Food Pantry

Receives NEW FREEZER through GRANT

The Brady Food Pantry received a grant from the Alliance for the Future of Agriculture in Nebraska (AFAN) who collaborated with the Midwest Dairy and Nebraska Department of Agriculture to provide funds to food pantries to purchase refrigerators and freezers.

The grant was awarded last spring, but because of Covid-19, freezers were unavailable until recently. The BFP received ours at the beginning of January! Now, we can receive donations that can be frozen, specifically meat.

If you would like to donate meat or any other food item to the Brady Food Pantry, please call Sharon at 308-584-3316 or 308-520-1328.

Brady Public Library is looking for assistance in digitizing Brady's paper the: Brady Vindicator (1930s).

"We have all these great old newspapers here that we'd like to get online for everyone to enjoy. These papers are deteriorating and we want to save the history of Brady and the Brady area that is printed on each page. You don't have to be computer savvy (although that helps), just willing to help us photo each page and organize it by date. Please stop or text/call Sharon to let us know if you'd like to help. 308-520-1328.

## Brady Get N Go

We would like to personally thank each and every one of you who donated money and supplies, gave up their

time to help, and came to enjoy some pancakes for Violet! We had surpassed our goal of donations to help Makayla out with expenses that have accrued with this

accident! This town is truly amazing and for that we're very thankful to be a huge part of this small town!!!!
